

## **PROFILE: Nitu Walia Kanwar**

Nitu Walia Kanwar is an internationally certified Executive Coach and a Personal Branding Consultant with 21 years of rich experience. She has successfully conducted workshops on Leadership Development, Team building, Communication skills, Image Management, Personal Branding, Presentation Skills, Business Etiquette etc. across industries. She has trained more than 7000 professionals with over 250 workshops conducted (Class room and Virtual) for various MNC`s, PSU`s and private firms including 500 fortune company like Indian Oil.

Nitu is a certified Executive Coach in John Mattone`s Intelligent Leadership Coaching process (USA). John Mattone is one of the world`s top Executive Coaches and former coach to Steve Jobs. She is also a certified Personal Branding coach (Image Consultant) from London Image Institute, USA in Advanced Image Skills and Professional Development and a Dale Carnegie certified trainer.

Nitu is a visiting consultant to Vistara since Oct 2016 till date and a catalyst in the airline`s staff branding. She has been the master trainer for Femina Believe Academy (Times group). Some of her other esteemed clients are Indian Oil, Aditya Birla Group, Galderma Skin Care (Nestle Group), Bank of America, Grant Thornton, Times Pro, Coal India, JW Marriott, Pullman Hotel, Taj Mahal Hotel, Greenlam Industries, Valtech, DIMTS Ltd, BIBA, MediaTek, Macmillan Education, etc.,

Nitu has been invited as a speaker by various business forums and educational institutes like GUSEC, TiE, JobsForHer, LPU, IHM`s, Apeejay Group of Institutes, etc. on topics like “Building your personal brand” “Executive Presence” and “Women Empowerment”. She is also associated with NGO Udayan Care as a mentor to young girls coming from the weaker section of society and conducts skilling workshops on regular basis.

In 2000, she started her professional journey with Jet Airways which taught her one of the biggest lessons, early in her career that “People Buy People”. Her diligence and consistency allowed her to rise in the management and take over key roles in L&D, Image Management, Performance, Operations and Recruitment across various departments within airline from 2007 till 2014.

As coach and trainer to many professionals, Nitu believes that nothing can dim the light that shines from within and when things change inside you, things change around you. Hence, she aims to contribute to other people`s lives by empowering them in their work and personal space through result-based coaching and training to help them break their limiting mindsets.
